K. KRISHNAIAENGAR, *Executive Engineer.*

#### SANITARY ENGINEER'S CIRCLE.

The 11th August 1898.

Notice is hereby given that sealed tenders will be received up to 12 noon on the 15th September 1898 by the Supervisor, Mysore Water Works Range, for the supply by contract of the undermentioned articles required for the Vani Vilas Water-supply Works of the Mysore City for the year 1898-99.

2. Tenders should be superscribed "Tenders for supply of articles for the Vani Vilas Water-supply Works for the year 1898-99."

3. Each tenderer must forward along with the tender sample of the articles that he is willing to supply. The samples should be labelled and must bear his signature and address.

4. All tenderers must specify the lowest rate for each article at which they will undertake to deliver the same at the office of the Supervisor, Mysore Water Works Range at Mysore, in such quantities as may be ordered by the Supervisor from time to time to be supplied during the year 1898-99; and all articles supplied must be of good quality and similar to the approved samples.

5. The tenders will be opened by the Supervisor, Mysore, Water Works Range at Mysore, in his office on the date and hour above named in the presence of such tenderers as may choose to attend, and submitted to the Sanitary Engineer, who is the officer to accept or reject the tenders.

6. The Sanitary Engineer does not bind himself to accept the lowest or any tender; and he may reject any tender without assigning any reason for it.

7. Schedule of articles required:—

No.	Names of articles.	Approximate quantities required during the year.	Rates to be mentioned.	Quantity of sample to be produced.
1	Kerosine oil .. .. .	25 tins .. .. .	Per bottle .. .. .	1 bottle.
